

Logo-Theme Contest

Dear MO Gifted Students, Teachers and Parents,

Mark your calendar now for October 21st-22nd, 2012 because the Gifted Association of Missouri will be holding its 31st Gifted Conference! We had such a wonderful turnout in our first Logo-Theme contest last year that we decided to have it again. We are inviting gifted students across Missouri to show off their creativity by designing the state gifted conference logo and theme for next year.

Guidelines:

1. All entries are on an 8.5 x 11" white piece of paper.
2. Only one entry allowed per student.
3. Entry form should accompany the design with the student's name and school district printed clearly on the back.
4. Entries must include the following items:
 - a.) Gifted Association of Missouri
 - b.) October 21-22nd, 2012
 - c.) Holiday Inn Executive Center in Columbia, MO
 - d.) Original theme for conference
(This year's theme that won was "Building Gifted Education's Future for 30 years.")
 - e.) Design of some kind (No copyrighted designs.)
5. You may only use two colors in your design. Black and white may be used in addition to these two colors though. You may use markers and colored pencils (no chalk or crayons.)
6. If you would like to use technology, clip art and designs must not be copyrighted.
7. Make sure that your design is as neat as possible.
8. Once final product is submitted for entry, it becomes the property of GAM and may be altered to fit the needs of the organization.
9. Send completed entries to: Heather Tomicich, 1035 Jungs Station Rd., Saint Charles, MO 63303.

Entries need to be postmarked January 6th, 2012 in order to be received in time for the GAM Board to decide a winner. The winner of the contest will be honored in the following ways:

- a.) Design will be on the GAM website
- b.) Design will be published in GAM's quarterly newsletter
- c.) Design for the conference will be revealed during GAM Day at the Capitol in Jefferson City on February 21st, 2012.
