

### EXHIBITOR and VENDORS INVITATION

You are invited to be an exhibitor at the 29th Annual Missouri Conference on Gifted Education. The conference will be held on October 17-19, 2010 at Holiday Inn Executive Center, Columbia, Missouri. The conference will attract a large representation of educators and parents from across the state. A special exhibit space has been designated specifically for vendors and exhibitors and the conference will be well advertised. Previous GAM conferences have drawn 400-500 attendees; we expect similar numbers this year.

Vendors and conference exhibitors have always played an important role in making our conference a success. Teachers and parents of gifted and talented children will be looking for materials to enhance student learning. We invite you to be a part of this exciting event.
